

“Bismihi subhanahu wataala”

Report (Quran Section):

Today, Sat, 30th June 2012 (10th Shaban 1433) was a remarkable day. Remarkable in that sense that a student of Class VII Hifz **Tayyaba Rahat Ali Hashmi** finished her Hifz-e-Quran as the first Hafiza of Hira Foundation School.

She had started her Hifz 8th Shaban 1429 in Class III Hifz... she was very little as she jumped Class II and was directly admitted in Class III Hifz. She started her Hifz from Juz Amma. Now after 4 years, Alhmdulillah she has completed her Hifz in first class and maintained the same position in Academics. She also participated in extracurricular activities.

This morning we have praised her efforts in assembly in the presence of **Principal, her Mother and all staff members of HFS**. She recited her last lesson in a very excellent voice and after wards **Mufti Najeeb** gave a little Bayan and motivated all of us. In the end there was a Dua by **Mufti Najeeb**.

Alhmdulillah now we are going to achieve our targets but to do so, we need your kind co-operation in each and every step and hope that you all will be with us.

Jazakumullahu Khairah,
